Turning the spotlight onto the team...
getting up close and personal, in an interview with...

JANE LIGHTFOOT

Valuations Administrator

Q What five words best describe you?

A Steady, loyal, thorough, honest and friendly.

Q If you weren't a specialist - what would you like to be?

A A lady of leisure!

Q What's your most memorable moment at DDV?

A No particular moment, just the satisfaction of doing a good job!

Q What is your most favourite thing to do outside work?

A Spending time with my grandson, walking my dogs and playing tennis.

Q What would a stranger find most annoying about you?

A I put myself down!

Q Who's Collection would you like to value and why?

A Prince Charles, because it would be interesting and vast!

Q What 3 people alive or dead would you like to invite to dinner?

A Clare Balding, Tom Jones and Prof. Noel Fitzpatrick.

Q Are you doing anything fun this summer of '21?

A Moving in with my boyfriend!

Q Do you have another talent?

A Go Karting! (In 1991, I beat 20 men including Manchester Police Traffic Dept. driving for the Rolls-Royce team! Probably wouldn't be able to even get in one now!!)

Q Where in the world would you most like to visit?

A Canada.

Q Favourite film?

A Rachel beat me to it! (As Good As It Gets), so maybe Far From The Madding Crowd with Julie Christie & Alan Bates, or Pretty Woman, or Love Actually! Having said that, we're seriously hooked on Clarkson's Farm at the moment on Amazon Prime - it's hilarious!! (It's not a film though, but should be!!)

Q Favourite piece of music?

A I couldn't possibly give one favourite piece of music as my taste is too eclectic, but to quickly think of a few: Harvest Moon by Neil Young, the theme music to On Golden Pond by Dave Grusin, Wild Mountain Honey by The Steve Miller Band, Glittery by Kacey Musgraves to name a few, and I've just been introduced to jazz singer Diana Krall who is really good! But there's just far too many others to mention!! Love early Beatles, Pink Floyd, Focus also...!
