A FEW OF MY FAVOURITE GLITZ FROM THE SAG AWARDS 2023

This year's big winner of the evening was the family adventure *Everything Everywhere All at Once* whose leading actress Michelle Yeoh won the award for Female Actor in a Leading Role.

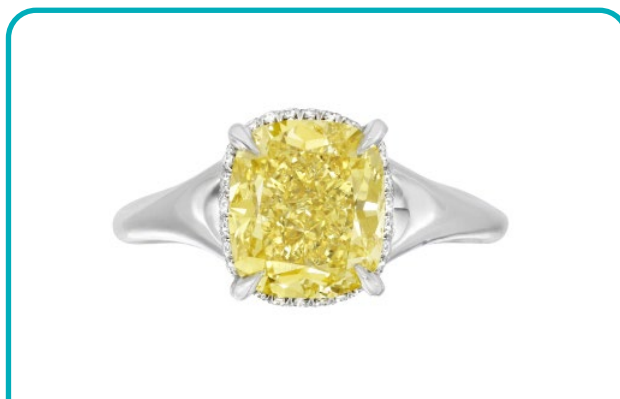

Michelle Yeoh

Just as she did for the Bafta, she dazzles us once again with spectacular pieces by Moussaieff including a yellow diamond and diamond ring, set with a 21.02 carat Fancy Vivid Yellow diamond between pear-shaped diamond shoulders.

To put this into perspective, a 3.03 carats Fancy Vivid Yellow diamond ring mounted in platinum is currently up for sale at Sotheby's online for USD 195,000. I leave it to your imagination to work out the cost of the above 21 carats diamond!

She paired the ring with a pair of chandelier yellow diamond and diamond earrings.

The earrings are set with 24.70 carats of pear shaped Fancy Intense Yellow diamonds, and 11.08 carats of pear-shaped and brilliant-cut white diamonds.

The outfit was finished with a Richard Mille wristwatch for which she is also a brand ambassador.

Fellow actor Ke Huy Quan, who won the Outstanding Performance by Male Actor in a Supporting role category and made history by being the first Asian actor to win this SAG award, looked dashing with a De Beers brooch from The Alchemist of Light high jewellery collection, set with a 2.70 carat oval Fancy Grey diamond within a blue aluminium surround.

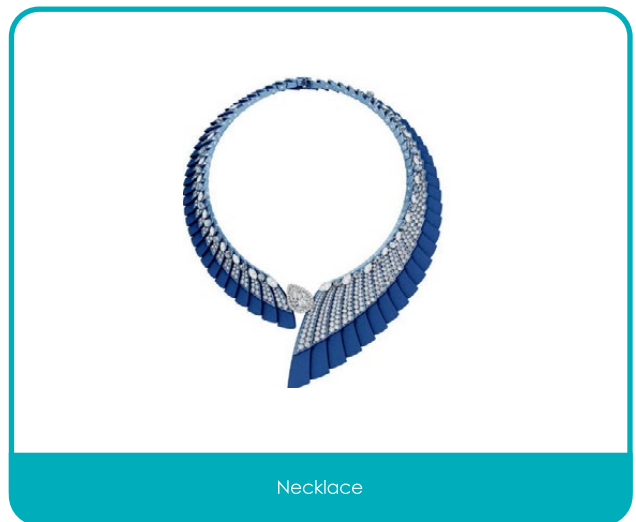

The beautiful collection by De Beers include the Ascending Shadows Small Earrings.

Set with two central diamonds each weighing 1.01 carats and 1.02 carats, E, VS2, within a surround of diamond, the total weight adding to 6.30 carats and mounted in 18 carat white gold, 18 carat rose gold, titanium & aluminium. These currently retail for £94,500.

Similar designs of the collection include a headband, necklace and cocktail ring.

Other red carpet nominees and actors wearing De Beers exceptional pieces included Angela Bassett, Li Jun Li, Hannah Einbinder, and Katherine Waterston.

Cara Delevingne dazzled in a "few" De Beers pieces.

One of my favourite red carpet actresses is Zendaya. She is flawless! And this year's 29th ceremony of the SAG awards was no exception. Nominated for Best Female Actor in a Drama Series for her starring role as Rue in HBO's *Euphoria*, she paired her pastel pink Valentino Haute Couture gown with a Bvlgari bib necklace set with aquamarine, tanzanite and morganite.

Later that night, to present an award, she changed outfits and wore a Bvlgari choker centrally-set with an oval-shaped aquamarine.

I always say that a red carpet is not quite complete without a Bvlgari Serpenti necklace. Emily Blunt's Oscar de la Renta gown was styled with a pink gold choker with diamonds and rubies from Bvlgari's new collection celebrating Serpenti's 75th anniversary, along with pavé diamond earrings and a platinum ring.

A similar Bvlgari Serpenti diamond and ruby necklace sold at Sotheby's in July 2022 for HKD 1,625,000 (approximately £171,375).

One can have its own Bvlgari Serpenti collection with this Serpenti Seduttori ring for £9,000 or Serpenti necklace for £20,900.

And who knows, perhaps draped in Bvlgari, the SAG awards might have the pleasure of having you walk down its red carpet next year...
